

FIBRESTAR DRUMS LIMITED

Sq-Rnd the all fibre Square-Round Drum

This unique pack incorporates all the cost benefits of a fibre drum with the added advantage of a square profile. The range of footprints provides a greater choice of sizes, enabling optimum use of pallets, storage space and transport vehicles.

Its strength and resilience comes from the convolutely wound fibre body. Available in a wide range of styles: both slip-over and flush fitting lids, hand holes for ease of handling and Lok-Tie holes for an enhanced security closure. Nestable for reduced transport costs and warehouse storage space.

- **100% recyclable**
- **UN approved**
- **Space Saving**
- **Economical**
- **Nestable**

Square-Round and Pure Fibre, it's...

Sq-Rnd

Hand holes can be provided to allow the drum to be handled effectively.

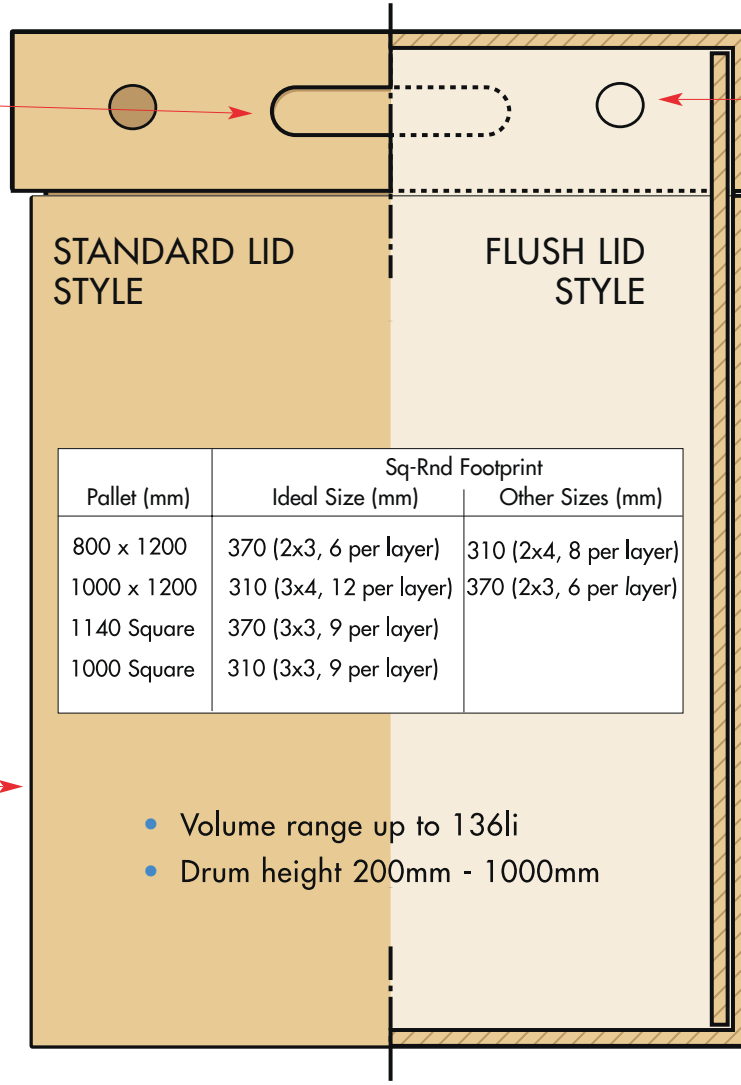

Optional Lok-Tie holes designed for a tamper evident security seal.

Can be decorated for product and company promotion.

For ease of recycling Sq-Rnd is made from 100% fibre.

Exterior and base can be treated to provide a moisture proof capability.

Sq-Rnd comes pre-assembled ready for use. NO manual or automated erection is required, unlike other forms of packaging.

- Volume range up to 136li
- Drum height 200mm - 1000mm

- Delivered stretchwrapped or palletised for ease of unloading, storage and handling
- Sq-Rnd can be re-used, recycled, crushed or thermally recovered. Disposal must take into account any relevant packaging and waste legislation.
- Made to BS EN ISN 9001: 2000 quality standards.
